Control Panel Home

Dashboard

Welcome to the Erin-Hillsburgh Minor Hockey Association Control Panel

You are currently in the Home module of the Control Panel. Select other modules from the list in the bottom-left.

Got a Question? Have an Answer?

Each year there are thousands of people just like you using the Control Panel in a website just like this one. With such a large community available, we thought we would make it easier for people to ask questions on the new MBSportsWeb Community Forums. The link to the forums is at the top of the Control Panel.

And if you have been using the Control Panel for a while or have a pretty good understanding of how it works, why not take a moment or two to help the rest of the community by taking a look at the questions which you feel you know the answer to. We're all in this together!

Your Modules

You currently have access to the following modules:

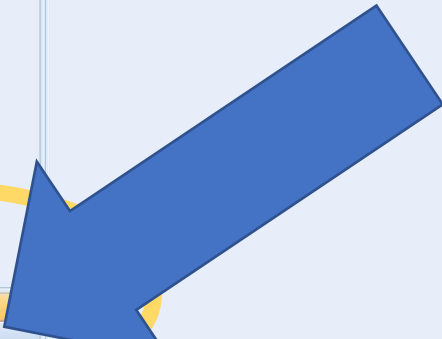

- Manage Site Content** - Manage the pages in the menu for your site(s), the content on those pages, as well as lists of information and game scores.

Personalize Your Control Panel

You haven't yet chosen a skin for your account. The new Control Panel has several different "skins" available which might be a little more pleasing to the eye than the default one. The "Windows 7" skin "Black" skin is a very dark one. Go ahead, give them a try!

Use the "My Settings" page at the top of the Control Panel to set or change your personalization options.

Click on "Manage Site Content"
