

Hi Parents,

On behalf of the coaching staff, I'm asking you for your input.

The association has requested the coaching staff for each team to submit winners of the following four awards:

- Most Improved
- Most Dedicated
- Most Valuable
- Most Sportsmanlike

Although we believe all 14 of our amazing kids deserve an award, unfortunately we have the task of narrowing it down to four. This is something each year we find painful due to the fact we maybe letting down 10 others. However, in the spirit of celebrating individual success we are asking you help us make this decision.

Below is a link to a survey for each parent to fill out before February 5<sup>th</sup>. If you know of a parent who is not registered to the team email, please forward this email to them. The coaches would love to hear from each of you and will take the majority vote into consideration.

Thanks for helping!

You can either request parents email back their votes, or set up a free survey via SurveyMonkey or similar. Please see the next pages for some examples of how the survey can be set up.

## ATOM BB AWARD PARENT SURVEY

Hello Parents,

The coaching staff each year has the difficult task of honouring 4 players with awards. As always, making this decision is not easy; the thought of certain players not receiving awards is emotionally tough and most often heartbreaking.

The year is a roller coaster ride, each player develops at their own pace and shows great accomplishments at different times of the year. It is now time to look back and reflect on the entire year to help choose those who exemplify the characteristics of each award.

The coaching staff is asking for each parent to help contribute to making this selection.

Please choose one player from each category on or before Feb 5th, the results of this survey will be confidential to the coaching staff only. We value your input and feel it is very important to help balance the decision making process.
